YOU PAY NOTHING FOR OUR SERVICE.

THE BUILDER COMPENSATES US.

## The Program

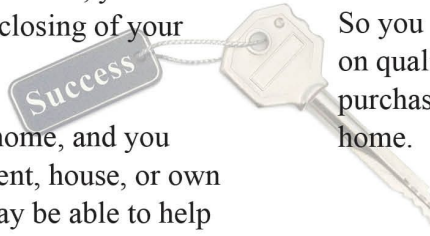

1. You may qualify for one of the rebates. These rebates were created to assist people who are purchasing a home. You may be able to use the funds for closing costs, upgrades, paying off bills and more. If approved, and depending on lender guidelines, you will receive the rebate at the closing of your new home.
2. If you're buying a new home, and you currently rent an apartment, house, or own an existing house, we may be able to help you get qualified to buy your dream home by helping you eliminate your current lease or mortgage payment.

### It's easy.

You can apply over the phone and be approved in a matter of minutes

### We give you peace of mind to go ahead and buy that new home

So you can focus on qualifying and purchasing your home.
